Rules of the path

- Keep left, and ring your bell before you pass.
- Walkers go first. Slow right down near little kids and dogs.
- Stop to spot things. Look, then tick.

Grown-ups

- Cross out a square that doesn't suit your ride and pick your own. Pelicans live by the river, not in the hills.
- Keep a pencil in the snack bag.
- Family ride guides and maps: cycletraveller.com.au
